## Read and Answer.

Dear Majed,

I am writing about my school. My school is near Yarmouk University. It is smaller than your school. My school is new and beautiful. It has more than thirty rooms and two labs. We play football and tennis in the school hall every Thursday. The hall is bigger than the other rooms. My teacher is going to take us on a trip to the park next week. I usually use the school computers, but today I am sending you an email from my computer.

Ahmad
