The Yafawi family usually have their summer holidays in America, but this year Hadeel and Nidal are having a summer holiday with a very big difference. It is 10:30 in the morning on Saturday, July 10th, and they are taking off on a long flight – Flight PF124 to Gaza. Soon after that, they hear the captain.

**Captain** We're now flying at 11,500 metres, and the weather ahead is excellent.

**Nidal** This is exciting!

**Hadeel** Palestine, here we come!

Later, during the long flight:

**Attendant** Are you from Palestine?

**Hadeel** Well, we're Palestinian-American. We're staying with our cousin's family when we get there. We're staying with them for four weeks.

**Nidal** We're going home in early August.

**Attendant** So you each need to complete a visitor landing card. They'll take it after you arrive, when you show them your passport. Here you are.

At Gaza Airport next morning:

**Rami** I can't wait to see them again.

**Uncle Basim** Well, they're arriving at 9:30.

**Aunt Nada** And it's almost 9:30 now, so they're coming very soon.

**Rami** No, they're landing right now. That's their plane!

Finally, 45 minutes later:

**Rami** Nidal! Hadeel! Hi!

**Nidal** Hi, Rami!

**Hadeel** It's great to see you again!

**Uncle Basim** Hello, Hadeel. Hello, Nidal. Welcome home to Palestine.

**Aunt Nada** It's lovely to have you here.

**Hadeel** Thank you, Uncle Basim, Aunt Nada. It's lovely to be here.

**Everyday English**

It's lovely to have you here.

The Qadiri family have lived in London for over a year. Now Grandma is going to visit them.

**Mrs Qadiri** Grandma is arriving in a week, and we haven't prepared the guest bedroom yet.

**Mr Qadiri** Yes, we've been talking about it for ages, but we still haven't done anything.

**Waleed** So there's a lot to do by next Saturday! Let's make a list.

**Mrs Qadiri** Good idea. First, we need to choose a new carpet.

**Lana** And buy a new wardrobe.

**Waleed** Choose a new carpet ... Buy a new wardrobe.

**Mr Qadiri** I've already seen a nice wardrobe. I can get it today. Now, what else?

The Qadiri family have been working hard for the past week, but they still haven't finished.

**Mrs Qadiri** Grandma's arriving soon, and we haven't put up the curtains yet!

**Mr Qadiri** You and Waleed do that, while Lana and I go to the airport.

Two hours later:

**Mrs Qadiri** Fantastic! The curtains are up.

**Waleed** We've finished just in time. The others have already arrived. They're in the hall.

**Mrs Qadiri** But we still haven't done the flowers. Quick!

Twenty minutes later:

**Mrs Qadiri** And here's your room, Mother.

**Grandma** It's wonderful! And I love the flowers.

They're my favourites. I feel at home already!

## 4 Listen and do the tasks.

When the Qadiri family moved to London, they looked at several houses before they chose one. Listen to their tour of the house below.

- 1 Listen and draw their route round the house.
- 2 Listen again. Label the parts of the house with the words in the box.

- bathroom
- bedroom 1
- bedroom 2
- bedroom 3
- dining room
- garden
- hall
- kitchen
- living room

**1 Work in pairs. Talk about the pictures in the passage.**

- 1 What do all the pictures show?
- 2 What parts of the world do you think each picture shows?
- 3 What may the climate be like in these different parts of the world?
- 4 Which kind of house do you think would be a) the most and b) the least comfortable?

**2 Read and mark the statements true (✓) or false (✗).**

- 1 At first, our ancient ancestors used to live in caves, not houses.
- 2 The Masai brought their animals inside their houses to keep them safe at night.
- 3 In cold, wet places, the windows of traditional houses were often on the opposite side from most of the wind and rain.
- 4 Like our ancestors, we still need a safe, comfortable place to live, away from the outside world.
- 5 Today, most people still live in traditional houses like the ones in the pictures.

### Home is a special place

1 Human beings have always needed somewhere safe and comfortable to live – somewhere away from the world outside. Our ancient ancestors often used caves. Later, they learned to build  
5 houses and they designed them to keep out wild animals and bad weather.

Think of the Masai people of East Africa. Long ago, they began building their houses together in circles. They were very simple, but  
10 each joined the next, and together they became a strong wall. At night, they brought their cows and goats into the centre, safe from dangerous animals. Some Masai have continued living in communities like this until today.

15 In the past, people also found natural ways to protect themselves from difficult climates. In cold, wet places, traditional houses were

often low with thick walls and small windows that faced away from the wind and rain. In the  
20 hot, dry Middle East, the thick, white walls of traditional houses protected people from the sun's heat.

Today, most people have moved to live in modern buildings, but one thing has not  
25 changed. We still need somewhere away from the outside world, a place to relax with family and friends. We want our house to be a home – a safe, happy, comfortable place at the centre of our lives.

30 When we have known a happy family home, we never forget it. Even if life takes us far away, we always remember that special place. In the words of the old saying: 'East or west, home is best'.

**3 Listen and read aloud.**

**1 Read and create a summary.**

1 Match these ideas to paragraphs 1–5.

- Our need for a house that is a real home
- How people built to protect themselves from hot, cold and wet weather
- People's need for somewhere safe from danger and bad weather since ancient times
- How important a good home remains to all of us all our lives
- How they learned to build to protect themselves from dangerous animals

2 Change these ideas into sentences and write them out as a summary. Start like this.

*People have had a need for somewhere safe from danger and bad weather since ancient times. They learned ...*

**2 Work in pairs and expand the summary in activity 1.**

**Student A:** Read out a sentence from the summary.

*People have had a need for somewhere safe from danger and bad weather since ancient times ...*

**Student B:** Add information from memory.

*At first, they often lived in caves. Later, they learned ...*

**3 Read the passage again and do these tasks.**

**Say what the underlined words refer to.**

- 1 Line 5: ... and they designed them to keep out wild animals ...
- 2 Line 5: ... and they designed them to keep out wild animals ...
- 3 Line 9: They were very simple, but each joined the next, ...
- 4 Line 9: They were very simple, but each joined the next, ...
- 5 Line 11: At night, they brought their cows and goats into the centre, ...
- 6 Line 32: ..., we always remember that special place.

**Now say what the underlined words and phrases mean.**

- 1 Line 15: People ... found ... ways to protect themselves from difficult climates.
- 2 Line 18: ... small windows that faced away from the wind and rain.
- 3 Line 28: ... a safe, happy, comfortable place at the centre of our lives.
- 4 Line 31: Even if life takes us far away, ...

**4 Work in pairs. Think and discuss.**

- 1 What difference do you see between a house and a home?
- 2 What does a traditional Palestinian house look like?

**1 Complete the conversation. Use words from the boxes.**

bedroom    dining room  
hall        living room

bed        dining chairs  
dining table    rug  
shoe cupboard    sofa

- 1 **A** Well, here we are in the hall \_\_\_\_\_ of our new home.  
**B** Yes, let's put the shoe \_\_\_\_\_ and the long, thin \_\_\_\_\_ here.
- 2 **A** And this room is going to be our l \_\_\_\_\_, isn't it?  
**B** That's right, so we'll put the \_\_\_\_\_ and the \_\_\_\_\_ in here.
- 3 **A** And we'll have this room as the b \_\_\_\_\_, won't we?  
**B** Yes, and so this is the room for the \_\_\_\_\_ and the \_\_\_\_\_.
- 4 **A** And you're happy to use this room as the d \_\_\_\_\_, aren't you?  
**B** That's right, so this is the room for the \_\_\_\_\_ and the \_\_\_\_\_.

Learned to make humus.                      Looked at various websites.  
Learned to cook rice.                        Collected lots of information.
- 3 Think of two or three more things that you still haven't started doing yet. Make notes like this:

**Student B** *Very good, but what haven't you done yet?*  
**Student A** *Well, for example, I haven't (learned to bake bread) yet.*

**Jamie** I'm much better than I was.

**Waleed** But perhaps you should take things more slowly.

**Jamie** The most important match of the year is on Saturday, and I want to be ready for it.

**Waleed** But you're not as strong as you think you are.

**Jamie** I'm fine!

**Coach** Listen, everyone. You're doing better than you were last week, but you're still not doing the best you can. And you're still not as fit as you need to be. So next, please run round the pitch as fast as you can. Go!

**Waleed** Jamie, stop! You look terrible!

**Jamie** You're right ... It's getting worse ... [He falls to the ground, and he lies there, not moving.]

**Waleed** Coach! Jamie has collapsed!

**Coach** Really? He's usually the fittest boy in the team.

**Waleed** Yes, but he's just had flu.

**Coach** What! Well, he was wrong to start training so soon.

**Waleed** I told him! I told him!

**Coach** OK, Waleed, calm down. Now let's check his pulse ...

Hm, it's racing. He's cold, too, and he's sweating.

**Waleed** Do we need a doctor?

**Coach** Perhaps, but first let's cover him. Run and get the thermal blanket and the first aid kit.

2 Listen. Add new words from activity 1. Make any changes needed.

- 1 A Why do you use so many \_\_\_\_\_ in your teaching?  
B Well, they're often easier to understand than words, so it's just a \_\_\_\_\_ thing to do.
- 2 A Can you explain the \_\_\_\_\_ that you feel when you check your pulse?  
B Yes, you see, your \_\_\_\_\_ produces that.
- 3 A Do you get \_\_\_\_\_ quickly when you run?  
B Yes, I do, and my heart \_\_\_\_\_ rises.
- 4 A I want to become more \_\_\_\_\_. Perhaps I should start a new sport.

4 Listen and choose the best way to complete the statements.

Dr Blake is a guest on the TV programme *Young World*, and he is talking about health, fitness and sports activities and injuries.

- 1 Dr Blake thinks that \_\_\_\_\_ young people are fit and healthy. (some / most)
- 2 Young people need about \_\_\_\_\_ of exercise a day. (an hour and a half / half an hour)
- 3 His suggestions for activities include \_\_\_\_\_ to school and home again. (walking / running)
- 4 He says that some sports are \_\_\_\_\_. (completely safe / less dangerous than others)
- 5 \_\_\_\_\_ when you feel tired. (Push yourself harder / You should stop)

**1 Work in pairs. Talk about the picture on the next page.**

- 1 Why do you think all the boys and girls are wearing a uniform?
- 2 Do you think the man at the desk is a visitor or a normal teacher?
- 3 Looking at the picture on the screen, what do you think he has been speaking about? Look at the graph on page 37 to help.
- 4 Why do you think a boy has got his hand in the air?
- 5 What do you think the speaker is going to do next?

**2 Read and mark the statements true (✓) or false (✗).**

- 1 Julie Nixon has done a lot of rock climbing in her life.
- 2 Swimming is less dangerous than other sports activities, and it is good for people who have hurt themselves in the past.
- 3 Everyone should feel warm when they start doing any sports activity.
- 4 Jamie's normal heart rate is much less than 190 beats a minute.
- 5 Dr Blake thinks that the coach was wrong to stop Jamie from doing more training.

1 Dr Blake is at Waleed's school, and he has been using charts to talk about health, sport and getting fit. Now he is answering questions.

5 **Hello. I'm Julie Nixon. I started rock climbing last year, but I fell and broke my leg. Since then, I haven't been active enough, but I want to try something safer! What's your advice?**

10 You feel that rock climbing is too dangerous for you, and yes, it is more dangerous than most sports. The safest activity is swimming, and that's also good for old injuries like yours.

But with all sports, always remember to warm up first. Do gentle exercises for the various parts of your body. This helps stop injuries.

15 **I'm Jamie Smith, and I recently went football training after a week in bed with flu. I started well enough, but then I got out of breath. I began sweating badly, and my heart started beating very fast. Then I collapsed. They say my heart rate was 190 beats a minute! But I was all right after ten minutes, and I wanted to start again. The problem was that our coach sent me home! He said I wasn't fit enough to train. Was he wrong?**

20 No, he was right – and you were wrong. Hard training after you've been sick is dangerous, Jamie. Your body was still too weak to do sports, and you didn't wait long enough to get well again. The rule is this: be sensible, and don't push yourself too hard or too soon. Take things slowly, and remember the old saying: 'Better safe than sorry'.

**3 Listen and read aloud.**

**1 Read and add notes to complete the table.**

Name	Activity	When	What happened	Advice
Julie	_____	_____	_____	Try _____
Jamie	_____	_____	_____	Don't _____

**2 Work in pairs. Ask and answer questions about Julie and Jamie.**

**Student A:** Ask these questions.

What was (name) doing, and when?

Then what happened?

What should / shouldn't he / she do in future?

**Student B:** Answer the questions from your notes in activity 1.

**3 Read the passage again and do these tasks.**

**Say what the underlined words refer to.**

- Line 6: I want to try something safer.
- Line 10: ... old injuries like yours.
- Line 17: They say my heart rate was ...
- Line 22: The rule is this: ...

**Now say what the underlined words and phrases mean.**

- Line 10: ... and that's also good for old injuries ...
- Line 15: ... after a week in bed with flu.
- Line 20: ... and you were wrong.
- Line 22: ... and don't push yourself too hard ...
- Line 23: ... and remember the old saying: ...
- Line 23: ... 'Better safe than sorry'.

**4 Work in pairs. Think and discuss.**

- Have you (or has someone that you know) ever had a sports injury?
- What happened?
- Think of Dr Blake's advice to Julie and Jamie. What advice might he give to you (or the person that you know)?

**1 Work in pairs. Match the letters in brackets to the words in the box. Use them to complete the paragraph.**

**2 Complete the table with nouns and adjectives from the passage in period 5.**

<b>Nouns</b>	1		2	safety	3		4	danger

Now use pairs of words from the table to complete the sentences.

- You can hurt yourself in any sport, so there is always some \_\_\_\_\_. But rock climbing is more \_\_\_\_\_ than a lot of other sports.
- Dr Blake wants everyone to be \_\_\_\_\_ when they do sport, and not hurt themselves, so he always tells people some important and sensible \_\_\_\_\_ rules.
- He says that it is important to be \_\_\_\_\_ every day, but he also says that the \_\_\_\_\_ does not have to be very long or very hard.

Subject: New mini-bus for the school sports teams

Thank you for finding out about new mini-buses for the school sports teams. I just want to say some things to help you choose the right one for our school's needs. Of course, the new mini-bus must be safe and comfortable, but we have to think about the following, too.

- It has to carry 14 people or more.
- It can't be too expensive to buy: so we can't spend more than \$30,000.
- We should also get a mini-bus that is not too expensive to use.

## 3 Write back to the head teacher.

**Name the right mini-bus for the school and say why. Start like this.**

After a lot of thinking, we have decided that the right mini-bus for our school is the ... We think that it is ... enough and ... enough, too. It is ... enough to carry ... It is also not too expensive to ... Finally, it is not ...

## 4 Work in groups. Talk about yourselves when you were young.

**Make statements like this.**

- *When I was (two), I wanted to (ride my big brother's bike).*

*But I couldn't because I was too small to ride it. / I wasn't big enough to ride it.*

## Unit 3 Period 12

**Unit task:** Testing my heart and completing a report.

### 1 Work in pairs. Test your heart rates to complete Chart 2. Do these tasks.

1 Copy Chart 1 from period 11, activity 2, but not the lines for Steve and Kate. Name it Chart 2.

2 Find your resting heart rates.

**Student A:** Find your pulse and get ready to count heart beats for quarter of a minute.

**Student B:** Look at a watch, say 'Start' and then, after half a minute, 'Stop'.

Work out your resting heart rates for a full minute. Make notes.

3 Find your heart rates during exercise.

**Student A:** Run as fast as you can on the spot for two minutes. Check your heart rate again as soon as you stop.

**Student B:** Look at a watch, say 'Start' and then, after two minutes, 'Stop'.

Work out your heart rates during exercise for a full minute. Make notes.

4 Check your heart rates after exercise. Check several times until your rates return to normal. Make notes.

5 Use your notes to complete Chart 2 about yourself.

### 2 Write paragraph 2 of your report: Checking heart rates and fitness.

1 Choose the best topic sentence.

- Next, we did another test.
- Then we tested our heart rates to complete Chart 2.
- When we tested my heart, we learned the following.

2 Use information from Chart 2 to write the rest of the paragraph. Start the three parts of the paragraph as you did in paragraph 1.

### 3 Work in pairs. Prepare to write paragraph 3 of your report.

1 Choose the best topic sentence.

- This test has shown that I am fit enough.
- This test has shown that I am not fit enough.
- This test has shown how fit I am and what I need to do.

2 Read the questions and decide your answers. Then ask and answer the questions.

1 What do you think the test has shown you?

- a) It has shown that I am fit enough already.
- b) It has shown that I am not quite fit enough.
- c) It has shown that I am not nearly fit enough.

2 So what do you need to do to get or to stay fully fit?

- a) So I think I just need to continue doing the exercise I already do.
- b) So I think I need to start doing about \_\_\_\_\_ minutes of exercise a day.
- c) So I think I need to go training or play \_\_\_\_\_ for about \_\_\_\_\_ hours a week.

### 4 Write paragraph 3. Use your answers to activity 3.

1 Listen and repeat. 

anyway as well as behave certainly enemy  
fair get on (a bus) leader remind ruler

## 2 Look at the picture on the next page. Describe it.

- This picture shows a man to Waleed.
- The people nearest us seems to show from long ago.
- Jamie is showing are clearly the inside of a bus.
- The picture in the book a book Jamie and Waleed.

3 Listen and answer the questions. 

- What were Jamie and Waleed talking about on the bus?
- Which leaders did Jamie think about?
- Where was the book from, and who was it about?
- Why did Jamie think this person was special?

4 Listen and read. Find the words and phrases from activity 1. 

Yesterday morning, Jamie was taking the bus to school. Then Waleed got on, too.

**Waleed** Hi, Jamie. I tried to call you yesterday evening, but you were out.

**Jamie** Sorry. I was getting some books from the library.

**Waleed** Were you working on the new project?

**Jamie** Yes – ‘A great leader’. I was trying to choose one.

**Waleed** It’s hard! I’m still thinking about it.

**Jamie** You have to think about personal qualities, as well as things that people did.

**Waleed** You’re right. So did you decide?

**Jamie** Well, I looked at various books about modern leaders like Gandhi, Arafat and Mandela and ancient rulers like Alexander the Great.

**Waleed** And?

**Jamie** And while I was looking, I noticed a book about Saladin.

**Waleed** Jamie, the name is Salah Al-Din, not Saladin.

**Jamie** Oh, sorry, I was just saying it the English way. Anyway, the book reminded me: I saw a TV documentary about him last week.

**Waleed** Yes, I saw it, too, and he was certainly a great leader. Is this the book?

**Jamie** Yes, and it’s very interesting. ‘Salah Al-Din: a leader ahead of his time.’

**Waleed** What does that mean?

**Jamie** Well, in those days, people were killing each other all the time, but he tried to behave better than that. He tried to be fair and generous to everyone – even his enemies. So he’s the one for me – ‘a leader ahead of his time’.

**Waleed** Great! And you’re certainly ahead of me on this project!

**Everyday English**

And?

Jamie, the name is Salah Al-Din, not Saladin.

**1 Read. Add new words from period 1. Make any changes needed.**

- 1 **A** I'm very sorry that we argued so badly yesterday.  
**B** I'm sorry, too. We should be friends, not \_\_\_\_\_.
- 2 **A** I can't remember the way to the city centre. Can you \_\_\_\_\_ me?  
**B** Just \_\_\_\_\_ the first bus that comes. They all go to the centre.
- 3 **A** Alexander the Great became the \_\_\_\_\_ of large parts of Asia.

- 6 **A** Please remind me to stop and buy some tea on our way home.  
**B** Yes, of course. But, \_\_\_\_\_, we have to go to the shop to get some bread.

**2 Listen and check. Then practise in pairs.**

**3 Read again and answer the questions.**

- 1 Who got on the bus first – Jamie or Waleed?
- 2 What was Waleed trying to do yesterday evening?
- 3 Why couldn't they talk then?
- 4 What is the subject of their project?
- 5 What do they have to think about when they choose someone to write about?
- 6 Was Jamie only reading about modern leaders?
- 7 Why did Jamie already know something about Salah Al-Din?
- 8 Why was Salah Al-Din a very special leader?

**4 Work in groups. Listen again and practise the conversation.**

**1 Read the examples.**

- 1 I **tried** to call you yesterday evening, but you **were** out.
- 2 In those days, people **were killing** each other all the time.
- 3 Waleed called **at 7:00**. At that time, Jamie **was getting** some books.
- 4 Yesterday morning, Jamie **was taking** the bus to school. Then Waleed **joined** him.
- 5 While I **was looking** at some books, I **noticed** one about Saladin.
- 6 Waleed **tried** to call while Jamie **was getting** some books.

Look at the examples again. Complete the statements with *past simple* or *past continuous*.

- 1 The \_\_\_\_\_ shows that something happened and finished in the past.
- 2 The \_\_\_\_\_ can show that something was going on for a long time in the past.
- 3 The \_\_\_\_\_ plus time shows that something was going on at that time in the past.
- 4 We often use the \_\_\_\_\_ and the \_\_\_\_\_ together. This can be in two sentences or it can be in just one sentence.
- 5 We can use the \_\_\_\_\_ for the 'long' action first, and then the \_\_\_\_\_ for the 'short' action second – or we can do it the other way round.
- 6 When the first part uses the \_\_\_\_\_, we add a comma. When the first part uses the \_\_\_\_\_, we do not add a comma.

Now complete the diagram. Add these words: *Long action*; *Short action*.

**2 Work in pairs. Ask and answer questions.**

**Student A** What were you doing at (eight o'clock last night)?

**Student B** I was (having dinner at home with my family).

And what were you doing at that time?

**Student A** I was ...

**1 Work in pairs. Talk about the picture in the passage.**

**2 Read and mark the statements true (✓) or false (✗).**

- 1 Until almost the end of Salah Al-Din's life, Jerusalem had remained under Muslim control.
- 2 Salah Al-Din took Jerusalem soon after he and his men had defeated the crusaders at the Battle of Hittin.
- 3 A new crusade began immediately after Jerusalem had fallen.
- 4 Only 2,000 crusaders arrived in Palestine.
- 5 In the end, the peace between Salah Al-Din and King Richard gave each side something important.

### Salah Al-Din (1138–1193): a leader ahead of his time

1 After Salah Al-Din had brought together large parts of the Muslim World, he turned to Jerusalem. The city had been in crusader hands all his life, and from  
5 1182 he started preparing to free it from them. As a strong believer in God and the Prophet (ﷺ) (pbuh), he believed that he must do this.

He prepared well, and in summer 1187,  
10 he defeated them at the Battle of Hittin. Weeks later, Jerusalem fell. For Muslims everywhere, this was a great moment.

It was the opposite in Europe, and a new crusade began in 1189. But things  
15 went badly for the crusaders: by summer 1192, most had died or left Palestine.

Only 2,000 men under King Richard of England turned east from the Mediterranean to attack Jerusalem. Then Richard became sick, and this has given us a famous story. Salah Al-Din did not attack, and instead, he sent Richard fruit, snow to make cool water, and even his personal doctor.

20 Stories like this show a leader who behaved fairly and generously, as well as one who was brave and intelligent. They show us a leader who was ahead of his time.

Salah Al-Din and Richard never met, but they respected each other greatly, and they made peace in 1192. Jerusalem remained in Muslim hands, but people of both religions could travel there freely.

This was almost Salah Al-Din's last important act. He died in Damascus in 1193.

25 Today, in another dangerous age, we must hope that there will soon be peace again, and that Jerusalem will again be open to all.

**3 Listen and read aloud.** 

**1 Read again and complete the history notes. Add the dates.**

- \_\_\_ Started preparing to free Jerusalem.
- \_\_\_ Salah Al-Din won the Battle of Hittin.
- \_\_\_ He took Jerusalem.

- \_\_\_ - \_\_\_ Most of the crusaders died or went home.
- \_\_\_ The crusaders turned east to attack Jerusalem, but King Richard became sick.
- \_\_\_ The two leaders made peace between them.
- \_\_\_ Salah Al-Din died in Damascus.

**2 Work in pairs. Ask and answer questions about what happened.**

**Student A** *What happened in (1187)?*

*When did (the next crusade begin)?*

**Student B** *(Answer the questions from your history notes in activity 1.)*

**3 Read the passage again and do these tasks.**

**Say what the underlined words refer to.**

- 1 Line 6: ... and from 1182 he started preparing to free it from them.
- 2 Line 16: ..., most had died ...
- 3 Line 20: ..., as well as one who was brave and intelligent.
- 4 Line 23: ... could travel there freely.
- 5 Line 24: This was almost Salah Al-Din's last important act.

**Now say what the underlined words and phrases mean.**

- 1 Line 3: ..., he turned to Jerusalem.
- 2 Line 11: Weeks later, Jerusalem fell.
- 3 Line 13: It was the opposite in Europe, ...
- 4 Line 23: ... Jerusalem remained in Muslim hands, ...

**4 Work in pairs. Think and discuss.**

Salah Al-Din travelled great distances, but what were the problems in those days?

1 Add the words to their definitions.

brave calm fair generous intelligent strong warm

- 1 \_\_\_\_\_ good at thinking, understanding and learning
- 2 \_\_\_\_\_ not afraid of danger
- 3 \_\_\_\_\_ giving others more of your time or money than most people do
- 4 \_\_\_\_\_ friendly in a way that makes others feel comfortable
- 5 \_\_\_\_\_ having clear feelings and ideas and keeping to them
- 6 \_\_\_\_\_ behaving well and in the same way to everyone
- 7 \_\_\_\_\_ not full of strong feelings

2 Work in pairs. Talk about the personal details of great leaders.

Match the pieces of information.

Given names	Family names	Dates (Lived from ... to ...)	Countries
Mahatma	Arafat	1918–2013	India
Nelson	Gandhi	1929–2004	Palestine
Yasser	Mandela	1869–1948	South Africa

3 Work in pairs. Produce captions for the photos.

1 Agree on the words you will use. Then write the captions.

		
<p>Mahatma Gandhi (1869–1948), the brave and _____ leader of the people of _____</p>	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>

2 Work in different pairs. Read out your captions to each other.

### 1 Read the examples.

- 1 He **defeated** them at the Battle of Hittin. After that, Jerusalem **fell**.
- 2 **By summer 1192**, most **had died** or left Palestine.
- 3 **After** Salah Al-Din **had brought** together large parts of the Muslim world, he **turned** to Jerusalem.
- 4 Salah Al-Din **had brought** together large parts of the Muslim world **before** he **turned** to Jerusalem.
- 5 Jerusalem **fell after** he **had defeated** them at the Battle of Hittin.

Look at the examples again. Tick (✓) the best way to complete the statements.

- 1 When we talk about two actions in the past, we often just use  
a) the past simple  b) the present perfect  for each action.
- 2 To emphasize that an action happened *before a time* in the past, we use  
a) the past simple.  b) the past perfect.
- 3 To emphasize that an action happened *before another action* in the past, we use  
a) the past perfect plus the past simple.  b) the past perfect plus the past perfect.
- 4 We can put the earlier action first or second in the sentence. We add a comma when we put the earlier action  
a) first.  b) second.
- 5 We connect the two actions in one sentence with words like  
a) *after* and *before*.  b) *after that* and *before that*.

Now complete the diagram. Add these words: *Earlier action*; *Later action*.

### 2 Work in pairs. Ask and answer the questions. Use information from the history notes in periods 4 and 6.

- 1 **A** When did Salah Al-Din become the ruler of Egypt?  
**B** *In 1171, two years after he had helped to win back Cairo for Damascus.*
- 2 **A** And when did he take over Yemen?

- 7 **A** And when did he take Jerusalem?

### 3 Now make statements like this.

Salah Al-Din became the ruler of Egypt two years after he had helped to win back Cairo for Damascus.

**1 Work in pairs. Look at pictures 1–4 and tell Waleed's story.**Add *while* and put the verbs in the past continuous or past simple.

- 1 / Waleed (try) choose a great leader for his project, he (decide) to go on the internet  
*While Waleed was trying to choose a great leader for his project, he ...*
- 2 / (look) on the internet, he (find) several good websites about Yasser Arafat
- 3 / (explore) the websites, he (find out) a lot about the great leader
- 4 / (read) about the Palestinian leader, he (decide) to write about him

**2 Work in pairs. Ask and answer questions about Salah Al-Din's life.**

Use information from the history notes in periods 4 and 6.

- 1 **A** Why did Salah Al-Din want to take Jerusalem?  
**B** *He wanted to take Jerusalem because it had been under crusader control all his life.*

- 6 **A** Why could people of both religions travel freely to Jerusalem after 1192?

**3 Make up reasons.**

- 1 I looked for my passport, but it wasn't there.

Examples:

*I had left it at home. / I had put it in my other jacket.**I looked for my passport, but it wasn't there. You see, (I had left it at home)!*

**Friend** That's terrible!

**Jamie** Yes, I was very worried because it meant giving the library the money for a new book.

**Friend** Poor you! So what did you do then?

**Jamie** Well, when I arrived at the library with the others, I began telling the assistant about the situation.

**Friend** Oh, dear!

**Jamie** But do you know what happened then? The assistant smiled, and she showed me the book. Someone had brought it back ten minutes earlier.

**Friend** Fantastic!

**1 Listen and write down what you hear.** 

**2 Read and order the notes.**

Read the start of Jamie's story. Then read and number the notes 1-4.

During the summer, the Yafawi cousins went to Turkey for a few days. One morning in Istanbul, they were on their way to the famous 'Blue Mosque'.

**Hadeel** I'm getting thirsty. I'd love some cold apple juice!

**Nidal** Me, too!

**Rami** And me. We're meeting Mum and Dad at the entrance at 12:00, and it's 11:15 now, so there's a little time. Let's stop at this coffee shop for a few minutes. There aren't many customers, so it'll be quick.

\* \* \* \* \*

**Hadeel** Mm, it's nice and cool here. Let's look at the menu.

**Nidal** But wait. I only have a little money – just a few coins.

**Rami** I don't have much, either. How much do you have, Hadeel?

**Hadeel** Enough. I changed some dollars yesterday, so I can pay for the drinks.

**Nidal/Rami** Thanks, Hadeel!

**Hadeel** And let's order a few Turkish cakes.

**Nidal** No, let's order lots! They're delicious!

**Hadeel** Don't be so greedy!

**Rami** Anyway, we only have time for a few. Let's just have two each.

At 11:45, it was time to go. Hadeel took out her purse to pay the bill.

**Hadeel** Here you are. Two twenties.

**Man** And here's your change. Ten and five – fifteen lira.

**Hadeel** Thanks. And could you tell us the way to the Blue Mosque, please?

**Man** Go across the road and turn right. Then turn left at the crossroads. Go past the information centre and you'll see it on your right.

## Introducing Istanbul

1 Istanbul is a city on two continents, with one foot in Asia and the other in Europe. It is not a capital city now: the capital of modern Turkey is Ankara. However, it used to be the capital of empires and is still a great world city today.

5 Its name was Byzantium for 1,000 years, and it grew rich and powerful because East-West trade routes passed through the city – along and across the Bosphorus. Then the Romans made it the capital of their eastern empire, and for the next 1,000 years people called it Constantinople.

Then Constantinople fell to the Muslim Ottomans. This time, the city's name changed to Istanbul, and it became the heart of a huge empire that reached across large parts of Europe, Asia and North Africa.

10 The Topkapi Palace was the centre of its government. Here, the sultans lived and thousands more worked to rule the Ottoman Empire. Today, it is a huge museum with beautiful gardens and hundreds of rooms. These are full of fantastic collections of pictures, maps, jewellery and many other fascinating things.

15 When you visit Topkapi, you must also see its famous ancient neighbours – the Blue Mosque and Aya Sofya. But there is much, much more to do: this is an exciting modern city of 14 million people. East and West meet in its busy streets, markets and shops. And its 12 million visitors a year never forget their time here. Istanbul is a very special place.

### 3 Listen and read aloud.

**Hadeel** But you can tell the subjects from the pictures on the covers, can't you? This one is for geography, I guess. It is, isn't it, Rami?

**Rami** Yes, and this one is for IT.

**Nidal** Ah, this one is easy! *English for Palestine*.

**Rami** Well read!

**Nidal** But why do you call it that? We're taught with books like these, too, but they don't have names like *Spanish for America*. Our country's name isn't included.

**Rami** Well, here in Palestine our books are produced for the whole country.

**Hadeel** How does that happen?

**Rami** A lot of teachers and other experts work together to make it happen. First, a teaching programme is developed. Then, when that is agreed, the books are written from Grade 1 through to Grade 12.

**Nidal** It sounds like a lot of work!

**Rami** Yes, and the same thing is done for all our school subjects.

**Hadeel** I'm sure it is a lot of work, but at the end of it all, you have books that are designed specially for you. And that has to be a good thing.

**Rami** Yes, they're used in every school, and they're an important sign of our national identity. They point towards our future as a free and independent country.

- 4 Over 22,000 people work in the quarries of Palestine.
- 5 The writer believes that Palestinian stone production can grow faster than production in other parts of the world.

**STONE An ancient industry with a great future**

Some of the world's oldest cities were built in Palestine, and they were constructed with excellent stone. This building stone and also marble were cut by our ancestors from the Holy Land itself. Today, the stone industry remains very important: with its beautiful colours and excellent quality, Palestinian stone is often preferred by architects round the world.

Stone was not always produced as efficiently as it is now. In ancient times, it was very difficult to cut stone. Everything was done by hand, and it was slow, hard work. Now, however, technology has come to the rescue, and finished stone is produced very efficiently.

Over 60% (sixty per cent) of the 262 quarries are near Hebron and Bethlehem. The stone is then cut and finished by 15,000 workers in 618 factories, and many of these are also in the same area. However, quarries are found in other places, too, and there are factories everywhere. Together, they produce 4.5% (four point five per cent) of the world's building stone. They also make 450 million dollars a year for Palestine, and they provide over 22,000 jobs.

The world stone industry is growing at 9% a year. And with our natural advantages, we can raise Palestinian production even faster. But to do this, we need to learn more about different needs round the world. The industry is therefore studying world markets carefully. If it can continue to grow, it will bring Palestine a lot more jobs and money.

**3 Listen and read aloud.** 

**1 Read and add numbers to complete the table.**

**The Palestinian stone industry: some important numbers**

Number of quarries	_____
Number of factories	_____
Production (% of world production)	_____
Money for Palestine	_____ a year

Future rise in production	Over _____ a year

- 4 They all work to protect old or ancient Palestinian buildings.
- 5 They all worked together on the Bethlehem 2000 Project.
- 6 The Bethlehem 2000 Project provided water and constructed new roads and new buildings in an old part of the town.
- 7 Dr Fatima and her team also worked on Hisham’s Palace last year.
- 8 Dr Ashraf wants people now and in the future to enjoy the past.

**3 Practise your pronunciation: listing** 

- 1 Listen. Mark the parts that go up (↗) and the part that goes down (↘).

I spoke to several experts – Doctors Ahmad, Fatima and Ashraf.

We provided water, we built new roads, and we saved old buildings.

- 2 Listen and repeat the sentences.

**4 Work in pairs. Play a memory game. Give the subjects in the wrong order.**

- A** On this day, we have (English, Maths, Science and Arabic).
- B** Ah, you’re talking about (Tuesday), aren’t you?
- A** That’s right. / No, sorry. Try again.

**1 Listen and write down what you hear.** **2 Read the information.**

1 Dr Ahmad and the others did not use the passive. They used *We* + active.

We often do this when we speak informally. But when we want to put the same thing in writing, the passive is often used instead. Compare:

**Active:** Well, you see, in the past, we often allowed them to collapse, ...

**Passive:** Well, you see, in the past, they were often allowed (~~by us~~) to collapse, ...

2 When we change from speaking to writing, we also leave out conversational words and phrases like *Well, ... You see, ...* and *You know, ...* Compare:

**Spoken:** Well, you see, in the past, we often allowed them to collapse, ...

**Written:** ~~Well, you see~~, In the past, they were often allowed to collapse, ...

**3 Work in pairs. Prepare to write part of a newspaper report.**

**You are going to write a paragraph each for Doctors Ahmad, Fatima and Ashraf.**

1 Cross out conversational words and phrases that you will leave out.

2 Work together to put the underlined parts into the passive.

1 ~~Well, you see~~, in the past, we often allowed them to collapse, but this was wrong. When we lose an old building, we lose part of our culture, too. So, you see, now we protect these important parts of our history better.

2 Certainly, yes. Back at that time, my team and I began work on the old town. You know, we provided water, we built new roads, and we saved old buildings.

3 Well, yes, it certainly is. And for example, my students and I did some important work at Hisham's Palace near Jericho last year. You see, we put large covers over the ruins to protect them, and we built a better visitor information centre, too. And so, you see, we saved something important for people to enjoy now and in the future.

3 Choose topic sentences for the three paragraphs. Number them 1–3.

**The ancient past of Palestine is also very important.**

**The Bethlehem 2000 Project was a good example of this.**

**Here in Palestine, old buildings are important to us.**

**4 Write part of the newspaper report. Start like this.**

## Saving the past for the future

Here in Palestine, old buildings are important to us. In the past, they were often allowed to collapse, but this was wrong. When an old building ...

**Unit task:** Explaining a special building.

## 1 Discuss old buildings in your area.

- 1 Explain to a visitor the old and new parts of your (nearest) town or city.
  - Say where they are.
  - Say when they were built.
- 2 Suggest old buildings to see.
  - Say where each one is.
  - Say when each was built.
  - Say what it is used for today.
  - Say why each one is specially interesting and important.
  - Say how each was used in the past.

- 3 Work in pairs. Explain different buildings to each other.

**Student A:** Take the part of a visitor. Say that you would like to visit lots of old places, but you only have time to see one. Ask for some advice.

Then ask these questions.

- Why is it special?
- When was it built?
- How was it used in the past?
- What is it used for today?

Finally, say that you would like to go and see it, and ask for directions.

- How do I get there, please?

**Student B:** Take the part of a local person. Advise the visitor to see one of the places from 2. Say where it is.

Then answer the visitor's questions.

Finally, give directions.

## 2 Write about your special building.

Another visitor has emailed you for advice on a place to visit. Write two paragraphs in reply.

Paragraph 1: Advise a place to visit. Say where it is, and explain why it is special.

Paragraph 2: Give all the information that you gave to the other visitor.

**1 Look at the photo on the next page. Describe it.**

- |   |                       |                        |                         |
|---|-----------------------|------------------------|-------------------------|

| 4 | All round the Ka'ba   | we can see             | in Makkah.              |

**2 Read the title of the passage. Then say what you know about this man.****3 Read and mark the statements true (✓) or false (✗).**

- 1 Muslims still remember Abu Bakr Al-Siddiq as a great Muslim.
- 2 Abu Bakr and Mohammad (ﷺ) became close friends when Abu Bakr became a Muslim.
- 3 Abu Bakr became a rich man when he was young.
- 4 Abu Jahl had wanted to kill Abu Bakr long before he finally almost did it.
- 5 As Caliph, Abu Bakr continued to tell the message of Islam to the world.

**Abu Bakr Al-Siddiq**

1 For over 1,400 years, Muslims have remembered this man as Islam's first Caliph. The many stories clearly show that he was a great man and a great Muslim.

The future Prophet Mohammad (ﷺ) saw that Abu Bakr was a very good and honest person, and they became very good friends. Later, after Mohammad (ﷺ) had received God's Word, Abu Bakr 5 became an early believer. Because he believed so deeply, the Prophet Mohammad (ﷺ) gave him the name 'Al-Siddiq'.

As a young man, Abu Bakr made a lot of money, but he gave most away, and he kept only a little for himself. He was also as brave as he was generous, as this next story shows.

Makkah's leaders hated Islam at first. Once, one of them saw the Prophet while he was visiting the 10 Ka'ba. This man, Abu Jahl, said to his friends, 'I've been waiting to kill him for a long time, and now I'm going to do it!'

When Abu Bakr saw the danger, he ran to rescue the Prophet. But then Abu Jahl and the others attacked him instead, and he was almost killed. This meant nothing to Abu Bakr, however. When he finally opened his eyes, his first words were, 'Is the Prophet safe?'

15 Through the things he said and did, Abu Bakr was very important to the Prophet and to Islam. So, after the Prophet had died, he became the first Caliph, and he continued the work of taking Islam's message to the world.

**4 Think and discuss. Compare what you have read and what you said in activity 2.**

**1 Read paragraphs 1–3 again and answer the questions.**

- 1 What good personal qualities did the future Prophet see in the young Abu Bakr?
- 2 What other good thing do we learn about Abu Bakr as a young man?
- 3 What two things made him a very special Muslim in the eyes of the Prophet?

**Now say what the underlined words mean.**

- 1 Line 4: ... had received God's Word, ...
- 2 Line 7: ..., Abu Bakr made a lot of money, ...
- 3 Line 8: He was also as brave as he was generous, ...

**2 Read paragraphs 4–6 again and answer the questions.**

- 1 How did Makkah's leaders feel about Islam in its early days?
- 2 What was the Prophet doing when he was attacked?
- 3 Who was he attacked by?
- 4 Why did Abu Bakr say, 'Is the Prophet safe?' and not, for example, 'Am I dying?'
- 5 How do we know that Abu Bakr was a good leader for the Muslim religion?

**Now say what the underlined words mean.**

- 1 Line 13: This meant nothing to Abu Bakr, however.
- 2 Line 17: ... continued the work of taking Islam's message to the world.
